From Your President...

Hello Folks! I hope this newsletter finds all of you healthy happy.

It seems like this time of year there is so much going on that we barely have time to slow down and enjoy things. Hopefully you were at least able to relax and spend a wonderful Thanksgiving with family.

Wow! We had a great turn out back on November 3rd for our annual fall swap meet. This year's swap meet was undoubtedly our largest to date. We had great weather for this event and if you didn't come out you sure missed a fun filled day. The question has come up weather we should add a spring swap meet to our schedule. What do you think about this idea? Let me know your thoughts.

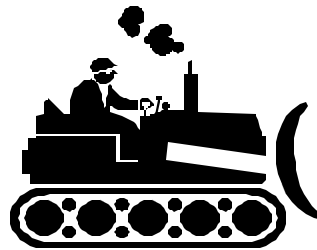

Our annual Christmas party get together will be held on Saturday, December 1st at 6:00 pm. The party will be held at Sandy and Angelyn Ullrich's place which is located at the William Pogue Airport at Sand Springs. The Pogue airport is located at 3128 N Airport Rd. just north of Sand

Springs. (See attached map and directions) Keeping with tradition the meal will be potluck. The club will provide drinks and paper goods.

In addition to a potluck meal; members are asked to bring items to be auctioned off for a club donation. The Christmas auction is traditionally our club's main fund raiser for the year. I

hope the proceeds from this year's auction will exceed previous years'. Mary Gatzemeyer has volunteered her time to serve as our auctioneer for the evening. Please feel free to bring interested guests along with you for an evening of fun, food, and fellowship.

The Tulsa Farm Show is set for December 6, 7, and 8. Our club has been invited back for the same booth space as we have had in recent years. Volunteers will be accepted during the Christmas party to have their tractor or engine on display during the farm show. We will have space for about eight tractors in our display area.

**Remember,
SAFETY FIRST!**

A big "Thank You" goes out to Ed Dugan of Porter for his help in locating bleachers for our show grounds. Myself and several board members contacted the owner of the bleachers; which are located in the Oak Grove Road area, and were told that the bleachers belonged to OATA "come get 'em." Wow! What a blessing! We will call members to help move these bleachers when schedules allow.

Amanda and I wish each of you a safe and joyous Christmas and a prosperous New Year.

See you at the Christmas Party!

John Hoover
