If you have any questions that are club related don't hesitate to call one of the above Officers or Directors and, they will be happy to try and help you.

From Your President...

Hello Folks!

I hope this newsletter finds you well and surviving the "dog days of summer."

Despite a light turnout from our own members and spectators alike, the 2008 Okie Heritage Days Show was a success. We were blessed with great weather both Friday and Saturday. We were pleasantly surprised to have several out of state exhibitors bring equipment for display. All in all a great time was had by those attending this year's show. We all should be

proud of the great strides that we have made when we reflect on all of the progress made to develop our show grounds.

Our August club meeting will be held August 9th, 2008 at 6:00 p.m. at the Ryan's Steakhouse located on 21st street between Garnett Road & Highway 169 in Tulsa. Keeping with tradition the main item on the agenda is the annual club officer and director election. Up for nomination and election are all six officer positions and four seats on the board of

directors. A nominating committee comprised of Mike Osborn, David Bradley, and John Campbell is working to contact all club members in an effort to find folks willing to serve the club in a leadership position. Nominations will also be accepted from the floor during the meeting prior to the election.

I will not seek reelection to serve as your club President for the 2008-2009 year. I have enjoyed working as the OATA President for the past two years; but I believe that it is

time for me to step aside and allow someone with fresh ideas to move into the lead position. Again, I want to Thank You for the opportunity to have served you as club President.

Take care and we will see you August 9th.

John Hoover
OATA President

August 9th 6:00 p.m.
