## ***From the President's Chair...***

Hi Guys & Gals,

Well, we did it again! We had one heck of a show, boy I tell you, we had a turnout of people to get the show grounds ready both work days, I couldn't be there on June 6th, as that was the day of my mother's memorial service, but Sandy Ullrich was and he said that the grass clippings were flying everywhere. Thursday before the show Guy Cabiness & Jim Rogers mowed the front part of the show grounds, and we missed weed eating around the registration area. OLE silver tongued Sandy Ullrich talked Amanda Hoover into painting the bleachers and she did a very good job of it to, they look a lot better. Duane Johnson & Guy Cabiness put together a team and got the red building back together before the show.

General Membership/Elections of Officers & Directors Meeting will be August 8th at 6 pm at Ryan's steak house on E. 21 St. E. of 169 Hwy.

We had a Directors meeting and decided to make John Deere as tractor of the year for 2010 show, we will sell a pedal tractor and a full sized tractor as well. We are looking for a very good price on a John Deere, John Leigh didn't have a John Deere tractor with as good of a price that he had on the Cub this year, Oh Well!

Oh yeah don't forget that this the month to elect new officers so be sure to come to the meeting as we must start planning next years show, dates are June 18-19, 2010 it will be here before long, I want to thank all of you that worked very hard to make our show a success and it was just that. A very big thanks to the gate crew, they worked their hearts out all day long both days! Well I'm going to shut up see you at the meeting.

God Bless  
Harold Brown, OATA President

## **Note from the Secretary**

What a great show we had this year, except for the HEAT. I heard lots of good comments about this years show.

What a great turn out at P & K Equipment's "Fun Day" on July 11th. I roughly counted about 30 tractors, a couple gas engines, and one dedicated hay press operator. Thanks to P & K Equipment for asking to come out and play.

It's been my pleasure serving as the club Secretary for the past five years, but its time has come for someone else to take the torch and run with it.

Thank You

Amanda Hoover  
OATA Secretary
