From the President's Chair...

HI Guys

Well It's fall again and things should start to slow down soon, we sure had a good summer.

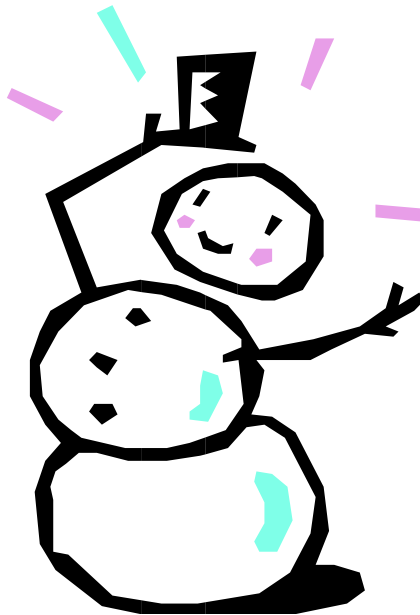

The autumn iron show was very good, we saw some good people there, and had some good chili Friday night.

Then came our November swap meet/flea market and we had a lot of people there, and also had a very good tractor pull on Saturday afternoon. If you didn't come out you sure missed out on a day of visiting with some old and new friends.

Don't forget our Christmas party and auction December. 6th, the dinner is pot luck {boy remember the food last year} Charles Cavenah and Sandy Ullrich will try to have the cups & plates and will try to brew some tea & coffee. SOOOO bring your food dish and an item or two for the auction and lets have a night to remember.

The Tulsa Farm Show is December 11-13, we will be able to get in

Wednesday after 4 pm to unload tractors. We will need people to help with the booth all three days. We will have the pedal tractor and the Farmall Cub (the raffle tractors) at the farm show and will be selling tickets on them.

Merry Christmas & Happy New Year's!!!

Speaking of the Cub it is coming along real good, it runs good, has almost new tires Sandy Ullrich gave to OATA, a new 6 volt battery. John Campbell has it now to fix the right brake and install the draw bar that Charlie Stunkard donated but we need the two end plates to get it installed, if you have a pair that you will part with please give me a call

(918-693-3920) also we need two lug bolts for the front wheels.

Well I guess I should shut up so I will.

Good luck to all
Harold Brown
OATA President
